Dear Parents,

As the beginning of the school year approaches, it's time to think about getting ahead. Students who are moving into the later stages of their high school education (Year 10, 11, 12) faces a crucial time ahead.

The completion of the Victorian Certificate of Education is a challenging and competitive task. At Pre-Uni, we seek to guide our VCE students through this challenging period by providing them with the best resources available.

Our VCE teachers are experienced and have a thorough understanding of the current curriculum. It is essential to understand that during the years of high school, students become more vulnerable to ineffective study habits in the absence of continuing guidance and coaching. Our years of successful results clearly indicate that Pre-Uni New College has the best academic formula to help your child overcome these issues.

We will provide detailed material and comprehensive feedback to facilitate preparation and skills in all areas of your child's education. This will help them to build your confidence as they prepare for many of their VCE exams.

2017 VCE (in 2017) **Term 1** courses will be commencing on **Saturday, 28th January 2017**. Please note that the class times have not been finalised.
