Selective Trial Test Course (STTC)

The Selective Trial Test Course (STTC) is a comprehensive programme designed for students to prepare them for the Scholarship and Selective High Schools Placement Test.

The course is unique in that it allows students to practise exam style questions under exam conditions. By sitting for Pre-uni New College Selective Trial Tests, your child will systematically revise the entire course and be confidently prepared for the actual placement test. Students will examine trial test papers every week (General ability & Maths tests in one week, Reading, Vocabulary & Writing tests in another week), and the test reports will provide detailed information showing the student's mark and in which areas the students are weak or need more practice. The STTC will help your child to manage his or her time efficiently, minimise errors, overcome examination nerves and perform at his or her optimum level under examination conditions.

This excellent course brings us an outstanding success rate every year. For more information, please get a copy of 2017-2018 STTC newsletter at the reception.

Essay Writing Course

The Year 5 Essay Writing Course will support students' development of technical and essay writing skills. It will cover areas including grammar, spelling and punctuation that pertain to specific text types as is required in the children's current English Curriculum.

The aim of this course is to target students' individual needs in writing so they can become more confident, capable and proficient writers. It will assist students with their individual performance in all written tasks in the classroom as well as formalised tests such as the Selective High Schools Entrance Exam and UNSW Competitions.
