Scholarship Mock Test for 2018 (Year3)

Pre-Uni New College's Trial Test Course (TTC) is significant for students who intend to sit **for the Year 5 Entry to Scholarship Test.**

This course is specifically designed for current Year 3 students and consists of weekly tests which assess knowledge and performance under exam conditions. By sitting Trial Tests, students systematically revise the entire course and can be confidently prepared for scholarship test.

The TTC is unique as it allows students to practise exam style questions under exam conditions. While the answer sheets are being marked, teachers review the entire test paper with particular focus on difficult questions. Each question is explained thoroughly step-by-step. Students receive their individual results at the end of each session as a record of their performance.

The TTC will help your child to manage his or her time efficiently, minimise errors, overcome examination nerves and perform at his or her optimum level under examination conditions.
