Pre-uni New College will remain a Video Conference Class (remote-control learning) in Term 4 unless we are allowed to have students at our educational centre by the government. Term 4 course commences **Friday, 2nd October 2020.**

The transition from primary school into Year 7 is an exciting yet important step! It is a major stepping stone to becoming an adult, and it also means students will be faced with rigorous challenges ahead. Students are about to start a new phase of their academic achievement that will be challenged by the depth and breadth of a whole range of subjects. A poor transition could develop into a long-term negative influence on their future studies.

Please refer to the New Year 6 course timetable below.

Year 6 WEMG Course

This will require a significant commitment of 4 hours module work each week in Writing, English, Maths and General Ability due to the nature of the advanced curriculum. Taking this course allows students build a solid foundation for their selective high school placement and the independent school scholarship tests.

- The writing module teaches students the most efficient ways in organising writing structure with a focus on developing critical thinking and reasoning skills.
- English lesson will focus on reading skills and practising reading comprehension and multiple-choice questions.
- Mathematics lessons are essential for students to thoroughly understand mathematical theories, principles and formulas to solve problems.
- General Ability lesson covers a variety of practical, challenging and mind-stimulating questions including verbal and non-verbal reasoning.
