Year 8 Term 4 WEMS Course (3 Oct – 12 Dec)

WEMS (Writing, English, Mathematics and Science) Course aids Years 8–10 students to build a strong foundation of skills for critical areas of each subject.

We aim to help our WEMS students become successful learners by staying one term ahead of their regular school and build confidence in many of their school exams.

All courses are conducted by the most experienced teachers. Our lesson and workbook materials allow students to practice the techniques and methods they have learnt at Pre–Uni New College in tackling both assignment and exam–style questions.

Our WEMS materials are specially designed and provide advanced and up to date course curriculum that are delivered by our dedicated high school teachers with many years of teaching experiences. Please check the Term 4 timetable below.

Please note that the Term 4 ‘Early Bird’ payment discount will be available until **Saturday 12th September 2020, 5pm.**

HELP STOP THE SPREAD COVID-19 AND STAY HEALTHY

- Cover your coughs and sneezes with your arm or a tissue (not your hands).
- Put your used tissues in a bin straight away and then wash your hands.
- Try not to touch your mouth or face.
- Don't hold hands with others
- Wash your hands often with soap and water including before and after going to the toilet.
- If you are sick or don't feel well, tell your teacher.
