2022 Year 8 Term 3 EMS Course (15 Jul – 25 Sep)

Pre-Uni New College High School proudly announces the commencement of Year 8 EMS (English, Maths and Science) Course in Term 2.

As your child enters the second year of high school, it's time to think about how to get a head start and set up a solid foundation for future years. Pre-Uni New College believes it is important to expose you to topics in advance to ensure you stay one term ahead of school. We provide detailed material and comprehensive personal feedback to facilitate preparation and skills in all areas of your child's education. This will help to build your confidence as you prepare for your school exams.

During high school, students become more vulnerable to ineffective study habits in the absence of continued guidance and coaching. Our years of successful results clearly indicate that Pre-Uni New College has the best academic formula to help your child overcome these issues.

Our Learning System

The key to our continuing academic success begins with maximum exposure to advanced course materials for our students. Our workbook materials allow students to practice the techniques and methods they have learnt at Pre-Uni New College to tackle both assignment and exam-style questions. Along with the lessons and tutorials, **we offer additional free tutoring services** to ensure that students receive the best support they need to confront the areas that they find particularly challenging. Extra academic assistance will make a big difference in the overall academic performance and work ethic of students.

Our Key Learning Support Services

- ✓ **Weekly Homework Marking** (English and Maths)
- ✓ **Correction Class**

Homework Marking

We provide weekly homework marking & recording service that provides an opportunity for review and reinforcement of skills that have been mastered and encourages practicing skills that are not. Homework also is an opportunity for children to learn self-discipline and organisational skills and to take responsibility for their own learning.

Correction Class for WEMS students

WEMS students are welcome to join our correction class where our tutors are there to help their work. Classes are held on Wednesday & Thursday 4:30pm-7:30pm at the Branch.
