Year 2 WEMG Course

Year 2 Term 3 WEMG course will require a significant commitment of module work each week in writing, English, maths and general ability due to the nature of the advanced curriculum.

In addition to having the advantage of getting ahead, WEMG course will help students build a solid foundation for the NAPLAN and Opportunity Class Placement Test.

- The **writing** module teaches students the most efficient ways in organising writing structure with a focus on developing critical thinking and reasoning skills.
- **English** lesson will focus on reading skills and practising reading comprehension and multiple-choice questions.
- **Mathematics** lessons are essential for students to thoroughly understand mathematical theories, principles and formulas to solve problems.
- **General Ability** lesson covers a variety of practical, challenging and mind-stimulating questions in verbal and non-verbal reasoning.
