Dear Year 6 Parents,

The 2024 Term 2 will commence on **Friday, 12th April 2024**

The transition from primary school into Year 7 is an exciting yet important step! It is a major stepping stone to becoming an adult, and it also means students will be faced with rigorous challenges ahead.

Students are about to start a new phase of their academic achievement that will be challenged by the depth and breadth of a whole range of subjects. A poor transition could develop into a long-term negative influence on their future studies.

Our Special Course will assist Year 6 students to build foundation skills and help them settle into their new academic environment as quickly and smoothly as possible. In this way, they can feel more confident and enjoy their time in high school from the very start with advantages they gain from Pre-Uni New College.

Please find out details of the course over the page.

Year 6 WEMG Course

Year 6 WEMG course will commence on **Friday, 12th April 2024**. This will require a significant commitment of 4 hours module work each week in Writing, English, Maths and General Ability due to the nature of the advanced curriculum. The course aims to help students to build a solid foundation for their independent school scholarship tests.

- The writing module teaches students the most efficient ways in organising writing structure with a focus on developing critical thinking and reasoning skills.
- English lesson will focus on reading skills and practising reading comprehension and multiple-choice questions.
- Mathematics lessons are essential for students to thoroughly understand mathematical theories, principles and formulas to solve problems.
- General Ability lessons will cover a variety of practical, challenging and mind-stimulating questions including verbal and non-verbal reasoning.
