2025 Year 8 Term 2 EM Course (26 Apr – 11 Jul)

Pre-Uni New College High School proudly announces the commencement of Year 8 EM (English, Maths) Course in Term 2.

As your child enters the second year of high school, it's time to think about how to get a head start and set up a solid foundation for future years. Pre-Uni New College believes it is important to expose you to topics in advance to ensure you stay one term ahead of school. We provide detailed material and comprehensive personal feedback to facilitate preparation and skills in all areas of your child's education. This will help to build your confidence as you prepare for your school exams.

During high school, students become more vulnerable to ineffective study habits in the absence of continued guidance and coaching. Our years of successful results clearly indicate that Pre-Uni New College has the best academic formula to help your child overcome these issues.

Year 8 Selective Trial Test Course (26 April – 14 June)

Pre-uni New College's Selective Trial Test Course (STTC) is a comprehensive program designed for Year 8 students to prepare them for Victoria's selective entry high school examination.

The STTC is unique in that it allows students to practise exam style questions under the same exam conditions. By attending the STTC, students will systematically revise the entire course and be confidently prepared for the actual exam.

The STTC will help students to manage their testing time efficiently, minimise errors, overcome exam nerves and perform at their optimum level in their actual exam.

Together with the STTC, we will help our students to reach their full potential before the actual exam date and build their confidence to succeed.
