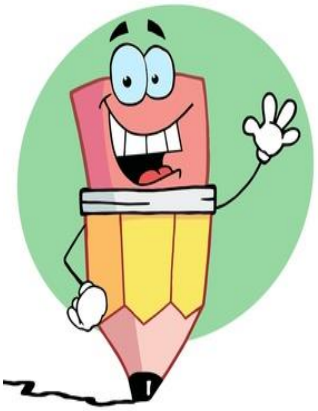
Year 4 Writing Course (Thursday)



Year 4 Thursday Writing Course will support students' development of technical and creative writing skills.

The course will cover areas including grammar, spelling and punctuation that pertain to specific text types as is required in the children's current English Curriculum. The course will assist children to develop their narrative, descriptive, persuasive and explanatory writing skills so they can become proficient writers across all key learning areas.

The aim of this writing course is to target students' individual needs in writing, so they can become more confident, capable, and proficient writers. It will assist students with their individual performance in all written tasks in the classroom as well as formalised tests such as NAPLAN, selective school exam and ICAS Assessments. Starting from Term 3, we are increasing the writing course fee to bring extra revision modules and assessments.

Cyberschool services for Year 4 WEMG

Cyberschool (www.cyberschool.com.au) provides the extensive revision services to help students revise their entire WEMT work during the course period. Please utilise the following Cyberschool services and maximise your learning outcome. Please note that each service is open for the specific period.

Module Answers (Weekly)

Each week's module answers are uploaded on Saturday and available until the last day of the next school holiday. You can download them under 'Material' menu at the top navigation bar. Please use the module answers after you made the first attempt to finish your module questions.

Video Lessons (Weekly)

Every question in the main textbook is explained audibly in the video lessons. Click 'Video Lesson' menu at the top navigation bar and watch the lessons to review recent modules and reinforce concepts. Please note that each video lesson is available for the next three (3) weeks from Saturday.

S.O.Q (Fortnightly)

The S.O.Q (Special Online Quiz) is a series of quiz to measure students' understanding of the previous modules in English, maths and thinking skills. Go to S.O.Q under 'My Test' menu at the top navigation bar. Four (4) quizzes open in Week 2, 4, 6 and 8 of the term. Each subject contains 10 questions. It will be available until the end of the term.

Vocabulary Test (Weekly)

Cyberschool is offering the weekly vocabulary test until the end of the term. To take the test, click 'My Test' menu at the navigation bar and go to 'Online Test' page. Click on 'Vocabulary Test' tab. Strong vocabulary skill is critical as it improves all areas of communication, leading to high scores in reading and writing tests.

WEMG MR/TS Homework (Weekly)

For more practice on mathematical reasoning and thinking skills, WEMT students attempt extra 5 maths and 5 thinking skills questions every week until the end of the term. Go to 'My Test' menu at the navigation bar and go to 'Online Test' page. Click on the 'WEMT MR&TS Homework' tab.

Live Lesson Link (for zoom lessons)

Students who are taking the Standard WEMT course via zoom can check their next lesson schedule from the 'Live Lesson Link' under 'My Page' menu. It will show the upcoming lesson date, time, zoom link and its passcode. The zoom link will appear one day before the lesson day. On the lesson day, click on the 'Join via Zoom' button and enter the passcode. This service is not available to Cyber WEMT students.

Live Webinar Lesson (Tuesday)

WEMT course students will be able to attend the additional WEMT live webinar session on Tuesday until Week 10 of the term. The lesson registration link will be activated on Saturday, and students need to register before Tuesday. To register, go to 'Live Lesson Link' under 'My Page' menu and click 'Register' button. You will then receive the email with the webinar lesson link. This service is available to both Standard WEMT and Cyber WEMT students.

Term Test (Week 8)

Students take the term test during week 8 of the term for assessment and subsequent reporting. To take the test, click 'My Test' menu at the navigation bar and go to 'Online Test' page. Students should revise all topics in the books in the weeks leading up to the Term Test. Parents will receive the term test reports at the end of the term that shows their child's total scores and rank as well as other information about the levels of achievement against specific competencies.

Term Test Review (1st week of holiday)

Students can revise the maths and thinking skills term test questions they answered incorrectly during the first week of the next school holiday period. Students are encouraged to revise all questions it provides and build up a solid foundation before their next term's studies. The menu will appear under 'Test Review' menu of the navigation bar.

My Result (during the term)

All your test results including term tests and weekly tests are available to check from the My result page under 'My Page' menu during the course period. Click on your scores to access the detailed test reports. Click on the correct answer to review the question.

G.A for Scholarship Test (during the term)

The 'GA Practice for Scholarship Test' menu is designed for students who want to build a solid foundation for general ability skills, especially for the preparation of the AAS, ACER or Edutest private school scholarship tests. You can access it from 'My Test' menu at the navigation bar. The course covers both verbal and non-verbal reasoning skills, and each section is categorised into a comprehensive number of question types. By taking this course, students can study of almost all possible question types and complete a variety of practical, challenging and mind-stimulating questions. Students currently taking our regular term course in NSW can take this course for free until the next term begins.

Reading 310 (during the term)

Reading 310 is the online self-paced test practice course that is designed for students to help them enhance their reading skill. Each test contains a comprehensive number of reading questions covering inference skills for reading with short passage, true/false, gapped texts etc. Students can attempt up to 10 tests during the term. By completing tests, students will be able to do thorough study of important question types and complete a variety of challenging reading skill questions. Students currently taking our regular term course in NSW can take this course for free until the next term begins.
